Child (Under 18)	\$1,500

Membership Benefits at No Additional Cost

24/7 Access to Medical Care

- Unlimited access to all medical centers and clinics across the country
- Unlimited in-center provider visits and access to a MD (no office visit fees, no copays)
- Unlimited 24/7 telehealth visits
- Unlimited referrals to our large network of specialists, including expedited appointments within 0-5 days

Medical Services

- Medical procedures such as orthopedic, wound care, respiratory and ENT needs. Here is everything we can treat.
- In-house blood work (CMP, BMP, Lipid Panel, UA, labs that are commonly included in routine heath maintenance)
- Unlimited Covid-19 PCR, rapid antigen and antibody testing (with your health insurance)
- Strep, RSV, flu rapid tests
- In-house medications (anti-inflammatory, pain relivers, antibiotics, anti-nausea, anti-allergy, respiratory, cardiovascular)
- Routine in-house blood work
- Select Vaccinations
- Medically-indicated Saline Hydrations

Care Coordination & Patient Advocacy

- Coordination of specialist appointments (scheduling, sending imaging scans), submitting insurance claims to your out-of-network provider, at-home and long-term care, and ambulance transportation
- Patient Advocacy during hospitalizations and coordination with hospital VIP services
- Preferred pricing with external medical providers, concierge PCPs, and specialists
- In the event you run out of your medication, as a one-time courtesy, we can re-fill your prescription or connect with our PCP/specialist to get your Rx filled.

Additional Fees:

- Advanced Imaging (X-Ray, EKG, CT scan, MRI, Ultrasound)
- House Calls
 - \$1,500 Standard (medical evaluations, blood draws)
 - \$500 Quick (Covid testing)
- Advanced in-house medications (Xofluza)
- Advanced in-house testing (Accula, BioFire, GI Panel, Cardiac Panel, D-Dimer, Tronodin)
- Vitamin Infusions

HOW WE WORK WITH INSURANCE:
 Sollis is an out-network provider. As a courtesy, we will submit your claims to your insurance if you have out of network benefits. However, if you receive imaging (MRI, CT scan, ultrasound) in New York or Los Angeles, we can submit to your in-network insurance during business hours (Monday – Friday) for prior authorization.
